Many thanks as always to everyone for your continued support. On this rota you will notice the BIG Clean for Christmas. The date of this will be decided nearer the time.

All equipment that is needed is provided by the church and is stored in the cupboard in the corridor between the meeting room and the church. The vacuum cleaners are found in this cupboard.

Mop and buckets are found in the cupboard area by the toilets. Towels and cleaning equipment are found in the toilet area under the sink. Towels need to be taken home and washed weekly. If all members of your team cannot make the same time/date, there is a spreadsheet in the cupboard so you can mark off what you have managed to do. If you can let me know what items of cleaning supplies, we are running low on, I would be very grateful.

If Fr Craig is not available, either John Terry or Catherine, have a key to the church. If you need to pick up the key, please let us know in advance.

Many Thanks Catherine and Chris
