Friends of the Holy Land

Friday March 8th was declared by many dioceses as a day of prayer for the Holy Land.

His Beatitude Cardinal Pizzaballa invites us to share in his Lenten message from Jerusalem where, in these violent and fearful times, he asks us to keep the desire for reconciliation and forgiveness alive in our hearts.

Join us in prayer and send words of hope and healing to our brothers and sisters in the Holy Land today.

And finally:- On Tuesday I went to the hospital to have the sutures removed from the wound left by the second surgical procedure. Whilst having 10 sutures removed was not the most comfortable of experiences, I was thrilled to hear my consultant say that the wound was healing 'very nicely'. I have now been out for several walks into the village, and I am finding day by day that walking is becoming easier and more comfortable - it's strange having not walked any distance for more than a year that my leg muscles need to re-adjust to walking again. Please God, everything at present seems to be going according to plan, and hopefully I will be able to return to the Parish as planned at the beginning of Holy Week. Over the next week, as we draw ever closer to the celebration of the Passion, Death and Resurrection of the Lord, let us continue to pray for each other, that the Lord will strengthen us in His service, and in the service of His people.

May God bless you all, Fr. Craig
